

## Power Showcase

## SELLING TIPS & BEST PRACTICES

### **Demonstrate!**

Simply interacting with a portable battery or wireless charger at the point of sale gets customers interested.

### **Be a Power Expert!**

Explaining to customers that you offer only SAFE – SMART chargers that charge their devices up to 3x faster than their old chargers is key

### **Offer the complete package**

Customers may not be thinking about cables, or wireless pads or portable batteries. Showcasing these products gets the conversation started

## WHY TECH21 POWER

**SMART** – Tech 21 chargers and batteries detect the device plugged in and deliver maximum power allowed

**SAFE** – Rigorously tested to ensure best performance

**SLEEK** – Low profile charger designs

**DURABLE** – High quality, tangle free braided cables

**2-YEAR** – replacement warranty
