

# Screen Protection Showcase

## SELLING TIPS & BEST PRACTICES

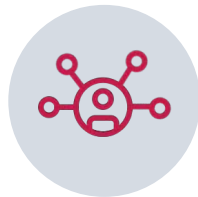

### **ALWAYS** have screen protection on your device

Showing customers your personal choice to protect your screen is a powerful selling tool

### **Promote the key selling points**

Toughened tempered glass, clarity, best in class liquid glass formula, warranty, reimbursement

### **Offer multiple choices to fit their preference**

Show all screen protection options  
Explain what is good about each option  
Let the customer choose which they prefer

Tech 21

# TEMPERED GLASS

**MAXIMUM CLARITY**
